

Dear Disciples, Members & Friends,

Bountiful blessings abound in our Bolton Congregational Church home each year. Our generous and supportive church family has truly blessed us in all aspects of our church life: baptisms, marriages, funerals, Sunday school, opportunities to share God's love with others through missions, wonderful dinner gatherings and retreats. We are grateful for our new kitchen and the many cherished events that will take place here in the years to come. Our church family has made this happen. The gift of giving continues to bless all of us both here and beyond our doors.

As we prepare for each year's annual giving commitment, we should all take time to count the many ways we have felt Christ's presence in our Church. We want to make certain we nurture this faith so that this Holy Place is available in the future for many generations to come.

Please look over the Commitment Card below, and note that it has two sections. One area indicates your intentions concerning a financial contribution and the other area asks what you are interested in contributing in time and talents. Filling out both areas and returning this to the church office will help us in our planning.

Our Church welcomes all forms of giving. If you decide not to pledge a particular amount, we realize that this is a personal decision that you have made for your own reasons. All forms and amounts of giving are appreciated and welcome. What is most important is that we all respond generously and joyfully.

Thank you for giving thoughtful consideration to your participation in Bolton Congregational Church for this year. Please return the Commitment Card to the church by putting it into the offering plate, or you can mail it to the office.

We ask that you do this in the spirit of recognizing our blessings here at Bolton Congregational Church and growing our Christian faith.

From: Your Board of Stewardship
